Summer Fun in the Sun With Outdoor Adventure

• Did you know there is an option to combat fishing this season? By joining our staff for an **Alexander Creek Float Fishing Trip** June 9-13 for \$350 you can escape the crowds and get some of those fish you've heard so much about. Trip participants will leave Anchorage by float plane and land on Alexander Lake, approximately 60 miles west of Anchorage across the inlet. The first night, we will camp and fish at the lake for great Northern Pike. The trip will then take you to the upper lake to fish for even more Northern Pike, Grayling, and Trout. You will even get a chance to check out the lower end of the river for the much talked about King Salmon. Meals will be provided, but fish is expected to be on the menu. This trip is open to youth as young as 13 years old as long as they are accompanied by a parent.

• Experience the thrill of kayaking on one of Fort Richardson's many lakes June 15 and 22 at 5 p.m. for \$20 by attending **Beginning Sea Kayaking**. Beginners and novices alike will enjoy an evening out on the water while taking in the scenery and wildlife of Alaska. Our trip will focus on safety and basic kayaking skills. A single kayak, paddle, life jacket, spray skirt, and instructions are provided to each participant. The ability to swim is not required.

• See the beauty of Alaska by way of an ATV June 16-18 at 7:30 a.m. for \$150 by participating in an **Old Man Trail ATV Trip**. This wide-open, high-country ATV trip will take you to an abandoned gold mining site deep within the Talkeetna Mountains. There are plenty of lakes and streams along the way, and simple meals are provided. There is a minimum age of 16 years old, when accompanied by a parent, for this trip.

• Take a 26-mile round-trip trek on one of the most beautiful areas in the Anchorage Bowl June 17 for \$10 at 10 a.m. by joining us for a biking **Eklutna Day Trip**. Scenic vistas and wildlife abound along this well-worn roadbed to the base of the Eklutna Glacier. Be sure to bring a helmet, your lunch, and enough beverages. You can use your own bike or rent one from us.

• Are you looking for something new and exciting to do after work? Then how about white water rafting? By joining us for one of the **Eagle River Raft Trips** June 21and 23 at 5 p.m. for \$15, you can learn basic techniques and safety while enjoying an awesome ride down Eagle River.

• Take a relaxing **Gulkana River Float Fishing Trip** June 26-30 at 8:30 a.m. for \$180. You will have an opportunity to enjoy camping, floating, fishing, wildlife viewing, and more. The fish you will get an opportunity to fish for are Grayling, Trout, and Red and King Salmon. You might even spot some bald eagles, moose, caribou, or bears. The trip will include daily rafting with guides, some camping gear, and simple meals. There is a minimum age of 13 years old, when accompanied by a parent, for this trip.

• Learn the art of digging for clams on the beach at **Clam Gulch on the Kenai Peninsula** June 31 at 5 a.m. for \$20. Dress warm, bring gloves, a clamming license, and a container to hold your catch. When we return, you will learn how to cook and clean your catch. There is a minimum age of nine years old, when accompanied by a parent, for this trip. For more information on these or other Outdoor Recreation features, call 552-2023.

Aero Club

Air Force Services announces a new Aero Club promotion and is inviting people to Take Control of Your Dreams. Join the Aero Club and not only learn to fly, but also receive some great benefits during this special promotional period.

New members will get a \$200 Solo Flight Bonus when their initial solo flight is completed within 60 days. Additionally, when members attend monthly safety meetings, they can register to win one of two \$2,500 Scholarships sponsored in part by Cessna Aircraft Company.

"If you are a military member, family member, retiree, civilian employee, or an Air Force contractor, this may be the way to Take Control of Your Dreams," said Eric Treland, the Aero Club Program Manager at the Air Force Services Agency. "Members can train to become a Federal Aviation Administration (FAA) licensed pilot. This requires a minimum of 35 hours of flight training, 20 with an instructor pilot. The length of training depends on your schedule and commitment. If you can manage time for three flights a week, it will take about two months to finish the flight training."

For more information, contact the Air Force Services Agency at 210-652-4945 or your local Aero Club at 753-4167.
